A modern interior scene featuring a lamp with a woven copper-colored shade in the foreground on the left. The background wall is covered in a repeating pattern of stylized, hand-drawn leaves in a light gray color. The text "ROLL BLINDS" is centered on the wall. At the bottom, a wooden beam is visible, and a glimpse of a blue sky and trees can be seen through a window.

ROLL BLINDS

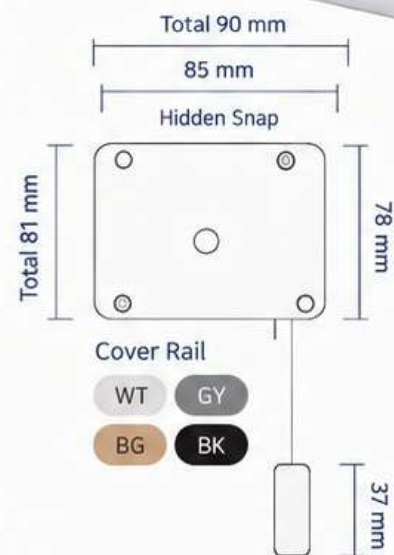

Round Corner Rail (Regular)

Marked Color : Bottom Rail End Cap Color

Cordless/Automation

Cover Rail

Bottom Rail

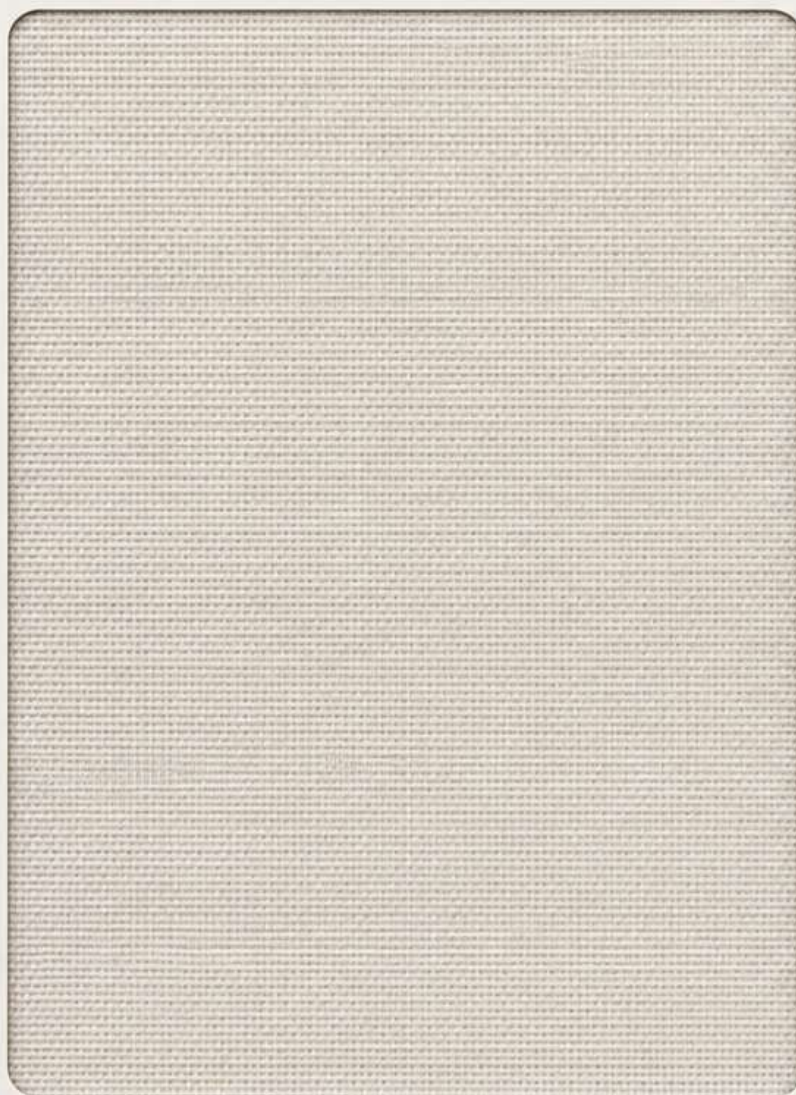

'Touch blind' is cord-free blinds that operate by simply pulling down the bottom rail by hand, making them convenient, visually minimal, and safer for children by eliminating hanging cords.
